

CHECK LIST CCTV

Your Irish Security Group Installer will need more information from you to provide you with the best possible solution.

Please make sure that you have the answers to the questions below when you are contacting your local installer.

Are your alarm requirements for your home or business?

What is the type of project / building(s)?

Is it a new installation?

Is the building pre wired for CCTV?

Is the building single or two storey or more?

How many cameras do you think you require?

Would you like to access your CCTV Remotely from your iphone, android or laptop?

What type of CCTV coverage do you require?

Internal, external or both

Is there external lighting or are night vision CCTV cameras required?

What length of time do you need to store the footage for?

Days: 15-20 / 20-30 / 30-40 / Longer

When do you require installation?

Do you have any other specific requirements?
