

CHECK LIST INTRUDER ALARMS

Your Irish Security Group Installer will need more information from you to provide you with the best possible solution.

Please make sure that you have the answers to the questions below when you are contacting your local installer.

Are your alarm requirements for your home or business?

What is the type of building(s)?

Is the building single, two storeys or more?

Is it a new installation?

Is the building pre wired for an intruder alarm?

How many entry/exit doors are there?

How many openings are on the windows?

When the alarm is activated, would you like the alarm to...

1. Text you & other keyholders to respond to the activation
2. Contact **ISG's** 24 Hr Alarm Monitoring Centre to contact you or the Police
3. Just activate the external & Internal Sirens for 15 mins

When do you require installation?

Do you have any other specific requirements?
